

REMARKS

Claims 1-12 and 14-35 are all the claims pending in the present application.

With respect to independent claims 1, 12, 24, and 25, Applicants submit that the prior art does not disclose or suggest at least, "wherein the first data streaming server and the second data streaming server use different allocated channels, respectively," as recited in claim 1 and similarly recited in independent claims 12, 24, and 25.

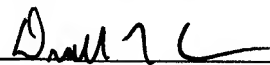

Applicants submit that dependent claims 2-11, 14-23, and 26-35 are patentable at least by virtue of their respective dependencies from independent claims 1, 12, 24, and 25.

Applicant also maintain any previously submitted arguments to the extent that they relate to the present claimed subject matter.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
